

Financial Services and Credit Guide

Darryl Smith

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services I offer, as described in this guide, including:

- who I am and how I can be contacted
- the advice and services I can provide
- information about my licensee AMP Financial Planning Limited (AMPFP)
- my fees and how I, and AMPFP, are paid in connection with those services
- how I manage your private information
- how you can complain about a matter relating to me or AMPFP

Documents you may receive

I will provide you with a number of documents as you progress through our financial planning process, to capture each stage of your advice journey. I may provide these documents to you, electronically to your nominated email address, unless otherwise agreed.

When I provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products I may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits I and others, will receive as a result of the advice I have provided.

If I provide further personal advice, a financial plan may not be required. I will keep a record of any further personal advice I provide you for seven years. You may request a copy of such records by contacting our office during that period.

When I provide credit advice, I will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in an SoA, a record of debt advice, or a Credit Proposal. I will retain a record of the debt advice which you may request by contacting our office within seven years of the assessment.

If I recommend or arrange a financial product for you, I will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Darryl Smith is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, I can also arrange for you to apply for limited types of financial products where I can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without my advice, I will ask you to confirm your instructions, which I will document in writing. You can ask me for a copy of this documentation at any time.

Your relationship with me and using my services

You can contact me directly with any instructions relating to your financial products. This includes giving me instructions by telephone, mail or email. I can only accept your instructions via email once you have signed an authority form.

I will work with you to agree what advice and services I will provide and when and how often I will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between me, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with me, please contact me using the details shown in this Guide.

Providing information to me

It is important that I understand your circumstances and goals, so that I can provide you with appropriate advice and services. You have the right not to provide me with any personal information. Should you choose to withhold information, or if information you provide is inaccurate the advice or services I provide you may not be appropriate for you.

It is also important that you keep me up to date by informing me of any changes to your circumstances so I am able to determine if our advice continues to be appropriate.

My fees

My preferred method of payment is by an agreed fee. The actual fee charged to you will depend on the nature of the advice or service I provide. I will discuss and agree the actual fees with you before I proceed. The following section outlines the types of fees that may apply.

The fees charged for my advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

My agreed advice and service fees may include charges for:

- Initial advice
- Ongoing advice

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums, and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

I offer you the following payment options for payment of my advice fees:

- BPAY, direct debit (savings), credit card or cheque
- Deduction from your investment

All fees and commissions will be paid directly to AMPFP as the licensee on my behalf. They retain a percentage to cover their costs and the balance is passed on to me. The percentage is determined annually, based on a number of factors, including my business revenue for the prior year.

Other costs

Where other costs are incurred in the process of providing my advice and services to you, you will be liable for these costs. However, I will agree all additional costs with you prior to incurring them.

How I am paid

I am a sole trader and receive all fees and commissions paid to my practice.

Other benefits I may receive

The following is a list of benefits I may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives I am eligible for.

In addition to the payments I may receive for my advice and services, I may receive other support services. These can include financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance.

I may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

I may be eligible for Development management and advice (DMA) recognition payments based on my performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of my practice revenue. My DMA percentage will be set annually and may range from 0% to 10% depending on my ranking. The percentage is then applied to my practice revenue and the resulting payments are received twice a month.

For example, if my DMA is set at 3% and my revenue for the payment period was \$8,500, I would receive $\$8,500 \times 0.03 = \255 . Assuming an average revenue of \$8,500 per payment period, the total DMA payment received in a year would be $\$255 \times 24 = \$6,120$.

How my performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of my practice as compared to other practices in the AMP Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of my services, compliance, my business goals and my engagement with my clients through a measure called Advice Growth Index (AGI). AGI measures the value of my fee for service revenue and my clients' product holdings over the previous year.

Business growth advice payments

All practices are eligible for Business Growth Advice (BGA) payments. The payments are based on my practice revenue.

BGA payments are set at 1% of my practice revenue. Payments are received twice each month. For example, if my practice revenue was \$8,500 in a payment period, I would receive $\$8,500 \times 0.01 = \85 . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be $\$85 \times 24 = \$2,040$.

Business buy-back option

If I leave the financial services industry or can no longer appropriately service a selection of my clients, and cannot find a buyer, AMP Financial Planning will either look after my clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning may buy back my business. The amount will vary depending on a number of factors including, my reason for leaving the financial services industry, the time my business has been established, the annual recurring revenue (both actual and any deemed revenue) of my practice and the quality of my previous advice.

Annual advice conference

The advice conference is an annual event which offers advisers the opportunity for professional development and to hear updates on AMP's thinking about the future of advice. AMPFP subsidises the costs of the advisers attending. The value will depend upon a range of factors, including the nature of the courses and events planned.

Educational support

AMP Financial Planning rewards individuals with educational support if they meet certain qualifying criteria. The qualifying criteria may vary, and is normally based on the standard of my financial planning services and my business performance.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of securities (such as shares and rights issues). The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. I may share in this fee based on the level of participation by my clients.

Relationships and associations

It is important that you are aware of the relationships that AMPFP has with providers of financial services and products as they could be seen to influence the advice you receive.
